## Instructions

Fill out this sheet with as much information as you can gather about your assigned Harlem landmark. You will need to do some research, which may include the use of Web sites, books, encyclopedias, periodicals (magazines, newspapers, journals, etc.), and other sources.

Landmark:

Where is/was this landmark?

In what year was it built?

Who built it?

Is it still there? Has its name changed?

What was this place used for (jazz music performances; a public dance hall; professional dance performances, etc.)? Also, write down who performed there, who might have attended the events, and what other uses the place had.

Write down why you think this place is a landmark, and why it's special to the neighborhood or its history.
