

List what you see in the each photograph in the space below. Consider the following: Does your photograph show people? How many? Are there any children? What are the people wearing? Do you see any buildings? What do they look like? What other objects are included in the photograph?

In the space below, describe your thoughts, feelings, and any comments you have about the photograph. Notice the faces of the people in your photograph. How do you think they feel at the moment the picture was taken? What do you feel when you look at the landscape, the houses, the families? Would you want to be in the picture? Why or why not?
