

## Consent Form for Oral History Subjects

---

**Before you interview someone, you first need to make sure you have his/her written permission to do so. You also want to let your interviewee know how the information he/she gives you at the interview will be used. Fill out this form, and then ask the adult family member or other close relative or friend you want to interview to read it and sign his or her name.**

Name of Project

Thank you for participating in this class oral history project. By signing the form below you give your permission for the student indicated below to record your information and possibly present that information to his or her class. This is for educational purposes only and will not be put to commercial use. By giving your permission, you do not give up any copyright or performance rights that you may hold.

I agree to the uses of my information as described above.
