

# Hula Fact Garland

Record your hula facts from the audio broadcast in the center of the lei. Then use the resources below and take additional notes about the hula dance. When you are finished taking notes, review them and choose the most important facts about hula dance. Record these facts in the center of the garland. You should include a minimum of twenty facts about the hula dance in the hula lei.

- [Map](#) of Hawaii, with maps placing Hawaii in the nation and the world.
