

A Lens into the Past

assimilation: the cultural absorption of a minority group into the main cultural body

emigrate: to leave your own country in order to live in another one

immigrate: to come into a new country, region, or environment, especially in order to settle there

migrate: an official examination or review

photography: the creation of pictures by exposing film inside a camera to light

time capsule: a container holding historical records or objects representative of current culture that is deposited (as in a cornerstone) for preservation until discovery by some future age
