

A Summary of the Election Process

Student Name: _____

Use this worksheet to summarize what you have learned about the U.S. election process. Work with a partner or in a small group to complete the activity. When you have finished, your teacher will ask you to share your information with classmates.

List the steps or events in the election process.

Beginning	Middle	End

What do you consider to be three key points that you have learned?

- 1.
- 2.
- 3.

What have you learned about the voters in presidential elections? Who is eligible? Do they vote? At what steps in the process are the voters involved?

Do you think the president should be elected by the electoral college or by popular vote? Why?
