

Greek Revival in Today's Community

Locate a building in your city that has elements of Greek Revival architecture. When you have identified this building, complete the following information.

1. Building's name and address:
2. Building's use, purpose, or function:
3. Attach a photograph of the structure or illustrate it on the back of this worksheet.
4. Check the elements of American Greek Revival architecture that are shown in this building:
 - fluted columns
 - capitals
 - order
 - heavy cornice
 - rectangular transom window over entrance
 - plain frieze

Why did you choose this structure as an example of this style of architecture? Write a paragraph defending your choice.
