Worksheet
Voices from the Dust Bowl

Directions: Explore the collection of photographs and songs available on Voices from the Dust Bowl. Record some of the recurring themes you find in each photograph, as well as some of the images or phrases you find most illuminating about the lives of migrant workers of the Depression era. Also list the title of the photograph and song that you find most effective in portraying the lives of migrant workers, and explain their reasons for selecting each.

1. Recurring themes in images of the Dust Bowl
   • __________________________________________
   • __________________________________________
   • __________________________________________
   • __________________________________________
   • __________________________________________
   • __________________________________________

2. Images or phrases you find illuminating
