

Movie Discussion

Part I:

- Have people's ideas about honor and good and bad behavior changed over time?
- Do you think people's ideas about honor and correct behavior is different in various countries?
- How do your religious or spiritual beliefs affect your ideas about the right way to behave?
- How have your own ideas about honorable behavior changed when you were faced with different situations?

Part II:

- What are Arthur's most important characteristics in the more modern movie?
- What are his most important qualities in the older movie?
- Do you think Arthur is depicted as a better person in one film over the other?
- Which "Arthur" would you rather meet, and why?
- How is the relationship between Guinevere and Lancelot portrayed in each of the films? What are the similarities and differences?
- Do you feel more sympathetic to Guinevere and Lancelot in one of the movies? Why?
- Do you feel more sympathetic to Arthur in one of the movies? Why?
- From what you have seen, which movie portrays Arthur as a better role model for his people?
- Which Arthur would make a better leader, especially in battle?
