

## Decades Mural Project

Student Name: \_\_\_\_\_

### MURAL

Students:	Excellent	Good	Average	Below Average
used several media, including drawing, painting, and collage.				
create a planned and clearly identifiable foreground, middle ground, and background.				
incorporated images representing one cultural category.				
used visual elements and principles like shape, form, contrast, and rhythm to communicate meaning and symbolism.				
created a written synopsis, to accompany presentation of mural, with required four elements.				

**RESEARCH AND GROUP WORK**

Students:	Excellent	Good	Average	Below Average
used a variety of research tools, including the Internet, books, newspapers, and audio/video recordings.				
demonstrated understanding of different research techniques.				
created a cohesive group design through discussion and collaboration.				
worked effectively with others and developed constructive feedback.
